

Overview of Hazard Incidents in September, 2018

In the month of September six types of hazards had been occurred among which two were manmade (fire and boat capsizes) and four were natural (lightning, flood, earthquake and riverbank erosion). These hazards, all together, took lives of 29 persons and injured about 59 people.

The most devastating hazard was riverbank erosion that occurred at two upazilas (Naria and Zajira) under Shariatpur district. It has been washed away an area of 1.5 square km along with several schools, hospitals, clinics, bazars, and houses.

Another devastating hazard was lightning that occurred in 15 districts (Magura, Gazipur, Sunamganj, Satkhira, Rangamati, Bagerhat Gaibandha, Dinajpur, Netrokona, Jashore, Rajbari, Tangail, Chandpur, Sherpur and Moulvibazar) and took lives of 21 persons.

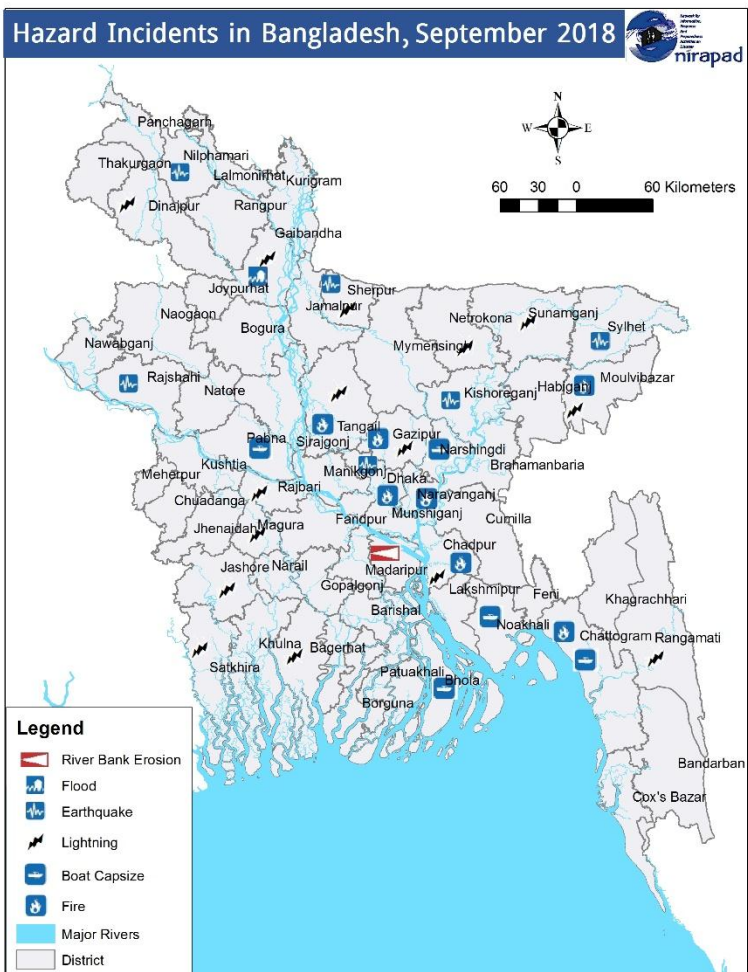

Also, there were fire incidents that occurred 13 times in seven districts (Gazipur, Narayanganj, Chandpur, Dhaka, Chattogram, Moulvibazar and Tangail) and caused death of one person and injury of 15 persons along with huge damage of property and assets.

As well, boat capsizes in four districts (Pabna, Noakhali, Bhola, Narshingdi and Chattogram) killed six persons and 19 persons were missing.

Flood in Gaibandha was also remarkable in this month in which 200 families became homeless and 1,100 hectors of crop lands were inundated.

Furthermore, earthquake occurred in this month. 25 persons were injured while getting down from several factories at North EPZ area in Nilphamari. No other damages were reported because of earthquake.

Description of the Hazard Incidences in September 2018

Boat Capsize

Five incidents of boat capsizing were occurred in the month of September in Pabna, Noakhali, Bhola, Narshingdi and Chattogram. In an incident in Chalan beel area, it took lives of three persons and two were missing. Another incident included drowning of a lighter ship in the Bay of Bengal near Noakhali, but no damage was reported. Drowning of three fishing trawlers were reported in Bhola but no damage was reported. Two incidents of boat capsizing took lives of three persons and 17 were missing in Narshingdi and Chattogram respectively. A lighter vessel named Char Shyamaail, loaded with 400 tons of old iron (scrap) was anchored at the Chattogram port drowned in the sea. The incident occurred when a large ship lost control of the anchor and stuck with the lighter vessel. However, no casualties had been reported.

		Zajira	Several houses, crop lands, trees and 2 mosques damaged	Durbavanga, Pachukharkandi, Kajiarchar, Safikazir etc. areas under Bilashpur union affected	
Total	1.5 square km. area completely washed away with several Schools, hospitals, Clinics, Bazars, Households				

GOB Responses in September 2018

Response to Lightning:

Each family of the dead persons was given 10,000-20,000 by the Ministry of Disaster Management. 10,000 taka was granted to the each family of the four farmers died in Magura. Sunamganj District Disaster Management and Relief Committee granted 20,000 taka to each person's family who were killed by lightning. In Satkhira District, Disaster Management and Relief Committee gave a grant of 15,000 taka to each deceased person's family. In Jashore, each

destitute family was provided 20,000 taka as grant from the fund of the Ministry by the District Authority. A grant of 10,000 taka was given to each deceased person's family by the District Disaster Management Office of Gaibandha. Ranagamati District Disaster Management and Relief Committee granted 20,000 taka to the dead person's family and 20,000 taka grant was given to deceased family by the Bagerhat District Council. Also, 25,000 taka was given to the affected family by the District Administrations from Disaster Management and Relief Fund.

Response to Flood:

Gaibandha District Commissioner reported to NDRCC that the District Administration has made all necessary preparations including flood protection for the floods. "The list of the victims will be provided with necessary relief assistance" he said. Engineer said, "identification of the erosion and the risky areas is being taken at different stages".

Response to Riverbank Erosion in Shariatpur:

3,514 families were given 30 kg GR rice each and 4,200 packets of dry food (rice 1 kg, lentil 1 kg, oil 1 liter, biscuit, salt, sugar, flattened rice, puffed rice, candle) by the Ministry of Disaster Management and Relief. Also, 375 families were given 750 bundles of CI sheets and 2,250,000 taka. 375 families are provided at a rate of 2 bundles of CI sheets and 6,000 taka for each family. Also, 20 persons who were injured in August due to riverbank erosion were given 10,000 taka GR cash each. Moreover, 152.430 MT GR rice and 6,000 packets of dry foods have been allotted for the affected people of Naria upazila. Honorable Minister and Honorable Secretary from the Ministry of Disaster Management and Relief visited the affected areas of Naria upazila and distributed relief to the affected people.

Table 6: Response by the Ministry of Disaster Management and Relief for riverbank erosion in Shariatpur							
Sl. No.	Upazila	Number of Affected Family	Relief Goods Name				
			Dry Food (packets)	GR Rice (Metric ton)	GR Cash	GR CI sheet	Allotted fund for House constructions
1	Naria	8,595	4200	257850	2,00,000	750 bundles	22,50,000
2	Zajira	115	1400	3450	-	-	-
Total		8710	5600	261300	2,00,000	750 bundles	22,50,000

Conclusion

Frequency of hazards, especially lightening and fire frequency was very high in the month of September. In this month, the most devastating hazard was riverbank erosion that washed away an area of 1.5 square km along with several schools, hospitals, clinics, bazars, and houses. As well, in terms of death of the people, the highest devastating hazard was lightening. The damages and disruptions caused by flood were also high in amount. Another mentionable hazard was earthquake which has injured 25 persons due to rush in getting out from factories. However, the Government undertook necessary response interventions for riverbank erosion, flood and lightning affected families to minimize their losses of lives and properties.
