

## Overview of Hazard Incidences in June 2023

In June 2023, **thirteen** types of hazard incidents occurred across Bangladesh, including, **Boat Capsized, Covid-19, Dengue, Embankment collapse, Fire, Heat Wave, Land Slide, Lightening, Nor ‘wester, Riverbank Erosion, Wall collapse, Waterlogging and Wild Animal Attacks**. Based on the [DGHS](#) daily situation report, the confirmed cases and death of **Dengue** increased in June compared with May month and it is increasing drastically. In this month it spread about **59** Districts of Bangladesh and total confirmed cases were **5956** identified and **4916** were recovered where total death was **34** in June. According to the daily newspaper **24 Lightning** incidents are recorded which resulted in the cause of death toll of **28** people and **4** cows died in different districts. On the other hand, some furniture was burned which resulted in a **40**-thousand-taka BDT loss. With reference to the daily hazard situation report of [MoDMR](#) and [DDM](#), the **488** fire incidents, **twenty-three** people died, **three** livestock died **69** people were injured, **five** houses, **eleven** shops, **and** several property damages were recorded such as many furniture, cloths, and other goods were burned, etc. The estimated losses were recorded as approximately **20** lakhs. The number of newly identified patients with **Covid-19** has **3249** in June 2023. In this month **2585** people have **recovered**, and **16** death which indicates both the number of death and the confirmed cases have increased compared to May. **Four** incidents of **Boat Capsized** happened in different districts which caused total **five** people died, **15** people injured and missing **28** cows in different districts. However, total **three** people died because of **three wall collapse** incidents in different places. **Three Wild Animal Attack** events took place on several dates in June which resulted in **one** death and different resources damaged in different districts. On the other hand, one incident of **Land Slide** occurred at Ukhiya upazila in Cox’s Bazar where **one** Rohingya worker died. Based on different national dailies, **Riverbank Erosion** occurred in several districts of Bangladesh which resulted more than **293** houses, **50** trees and lots of land have been swept away by the river, **500** feet concrete road collapsed into the river due to the severe erosion and more than **five thousand** families were waterlogged. In addition, **waterlogging** occurred in several districts of Bangladesh. As a result of the incident, **20** trees were uprooted on the road and schools, colleges, and hospitals were also affected. **One** incident of **nor ‘wester** took place in Gaibandha where two students were injured during the nor’ wester. An embankment of the river of kurigram collapsed where some low laying areas were inundated by water. Besides, the country has experienced a total of **2** different levels of **heat wave** throughout the country where **mild to moderate, and extreme** heat wave blowing. The maximum temperature was recorded at **41.6** degrees Celsius at **Dinajpur**.

## Description of Hazard Incidents in June 2023

### Boat Capsized

**Four** incidents of **Boat Capsized** happened in different districts which caused total **five** people died, 15 people injured and missing 28 cows. In Brammanbaria **one** Child (3) Died and **15** Passengers were injured on 7<sup>th</sup> June 2023 [prothomalo](#). On the other hand, in Bogura Boat and some accessories are lost in the river on 18 June 2023 [jugantor](#). **28** Cow missing **four** People died in Manikganj, Chapainawabganj districts on 4 June and 8 June 2023 respectively ([bhorerkagoj](#)), ([thefinancialexpress](#)). See the details in [Annex 1](#) for more details information.

### Covid-19

The number of newly identified patients with **Covid-19** has **3249** from 1<sup>st</sup> June to 30<sup>st</sup> June 2023. In this month **2585** people have **recovered**, and **16** death which indicates both the number of death and the confirmed cases have increased compared to May. The total number of confirmed cases has **2042592** from the first identification of Covid-19 in Bangladesh in March 2020. The total death and recovered to the end of June was **29462** and **2008852** respectively [DGHS](#). See the details in [Annex 2](#) for more details information.

### Dengue

Based on [DGHS](#) daily situation report, the confirmed cases and death of **Dengue** increased in June compared with May month. In June, most of the districts suffered from dengue, and as usual, **Dhaka** has the highest number of confirmed cases (**4729**) and deaths (**27**). Secondly, the Chattogram district confirms cases (**290**) and deaths (**6**). In June the total number of confirmed cases are **5956** and a total of **34** people died whereas in May it was lower compared to June. In this month it spread about 59 Districts of Bangladesh. See the details in [Annex 3](#).

### Embankment Collapse

On 21 June 2023, incident of embankment collapse happened in kurigram district at Nageshwari which resulted inundation of the low-lying areas at the upazila ([observerbd](#)).

### Fire

According to the [NDRCC](#) report and different dailies, **488** fire incidents took place across the country in May 2023. Dhaka division reported the highest number of fire incidents (**134**), followed by Rajshahi division (**77**) Chattogram division (**69**), Khulna division (**58**), Rangpur division (**56**), Mymensingh division, (**51**), Sylhet division (**22**), Barishal Division (**21**). Among the **488** incidents, **twenty-three** people died, **three** livestock died **69** people were injured, **five** houses, **eleven** shops, and several property damages were recorded such as many furniture, cloths, and other goods were burned, etc. The estimated losses were recorded as approximately **20** lakhs. For more details, see [Annex 4](#) and the below table.

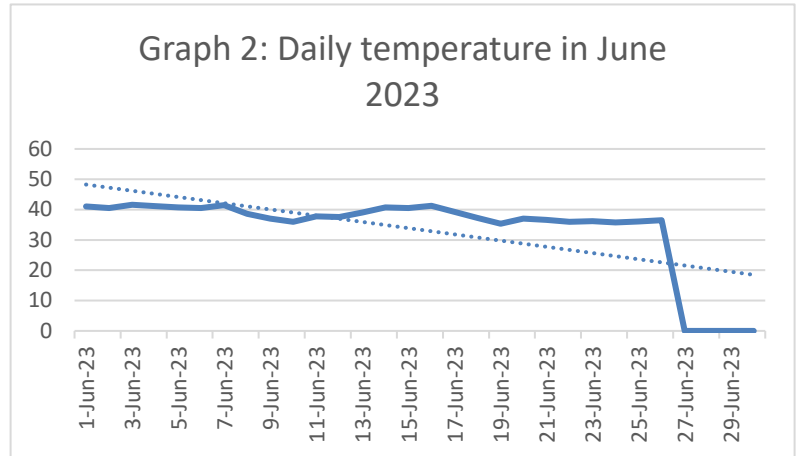

Table 1: Impacts of Fire Incidences in June 2023

Division	Total	Impacts
Dhaka	134	23 people were died, 69 people were injured, 15-20 lakhs taka loss, three livestock died, and many furniture, cloths, and other goods were burned
Mymensingh	51	No casualties recorded

Barishal	21	Five house and 7 shops were burned
Sylhet	22	No casualties recorded
Rajshahi	77	No casualties recorded
Chattogram	69	17 houses were fully burned of 20 families
Khulna	58	One person injured, one warehouse, Necessary paper, and some furniture burned, 4 shops with lots of goods were burned
Rangpur	56	No casualties recorded
Total: twenty-three people died, three livestock died sixty-nine people were injured, five houses, eleven shops, and several property damages were recorded such as many furniture, cloths, and other goods were burned, etc. The estimated losses were recorded as approximately 20 lakhs		

### Heatwave

According to NDRCC in this month, there were a total of **2 Heat Wave** events, **one is mild to moderate** occurred between **1 to 10 June**, **one mild to moderate** and **extreme** heat wave event from **12-18 June**. The maximum temperature was recorded at **41.6** degrees Celsius at **Dinajpur** during heat wave situations, on **3<sup>rd</sup> June 2023**. The daily maximum temperature showed a positive trend in June compared to May 2023. More details in [Annex 5](#).

### Land Slide

One incident of **Land Slide** occurred on **28<sup>th</sup> June 2023** at Ukhiya upazila in Cox's Bazar where **one** Rohingya worker died ([observerbd](#)).

### Lightning

This month, **24 Lightning** incidents are recorded which resulted in the cause of death toll of **28** people and **4** cows died in different districts. On the other hand, some furniture was burned which resulted in a **40-thousand-taka** BDT loss. There were **16** districts namely Sunamganj, Moulovibazar, Sirajganj, Bramhanbaria, Naogaon, Dinajpur, Noakhali, Joypurhat, Rangamati, Khulna, Satkhira, Tangail, Panchagarh, Jhenaidah, Rajshahi, Bogura where lightning event recorded. More details are in [Annex 6](#).

### Nor' wester

**One** incident of **nor 'wester** took place on the **8 June 2023** in Gaibandha. In this incident two students were injured during the nor' wester [kalerkantho](#).

### Riverbank Erosion

Based on different national dailies, **Riverbank Erosion** occurred in Sirajganj, Sunamganj, Jamalpur, Bogra, Tangail, Lalmonirhat, Rangpur, Kurigram districts at different upazila which resulted more than **293** houses, **50** trees and lots of land have been swept away by the river, **500** feet concrete road collapsed into the river due to the severe erosion. On the hand rising water inundates low-lying areas and causes riverbanks to crumble, Shortage of drinking water, crops lands are submerged in water and more than **five thousand** families are waterlogged. In Sirajgonj more than **50** houses, many trees and lots of land have been swept away by the river and **23** houses have been lost to the river with a significant portion of croplands being submerged [bd-pratidin](#). Besides, in sunamganj, a **500** feet concrete road collapsed into the river due to the severe erosion [dhakatribune](#). **50** trees along with **170** houses, **hundreds** of acres of farmland have lost, Houses, croplands, roads, and other establishment swept away by the river in Jamalpur [dailynayadiganta](#), and **23** houses have

been lost to the river with a significant portion of croplands being submerged in Bogura. Furthermore, over **50** houses and roads have been damaged in Tangail. Apart from this incident another incident of riverbank erosion occurred in Kurigram where many houses, several hundred hectares of cropland and a school were affected by riverbank erosion. More details in [Annex 7](#).

### **Wall Collapse**

There were **three** incidents of wall collapse that happened in June 2023 in different districts. Total **three** people were died for these incidents. In Gopalganj district **one** Worker Died and 2 injured at Sadar upazila ([kalerkantho](#)) and **one** Child died in Barishal district ([bd-pratidin](#)). On the other hand, in Cox's Bazar **one** child died because of wall collapse.

### **Waterlogging**

Based on different national dailies, **waterlogging** occurred in Chattogram, Tangail, Dhaka, Sylhet, Nilphamari, Chattogram, Habiganj, Moulvibazar, Brahmanbaria at different upazila. In chottogram, because of the waterlogging a temporary communication disruption happened in the low-lying areas of the city. In Dhaka, 20 trees were uprooted on the road and schools, colleges, hospitals were also affected by waterlogging in different date in different places ([bd-pratidin](#)) ([dailynayadiganta](#)). More Details in [Annex 8](#).

### **Wild Animal Attack**

**Three Wild Animal Attack** events took place on several dates in June which resulted in **one** death and different resources damaged in different districts. On 6<sup>th</sup> June 2023 a wild elephant attacked in Sherpur district Nalitabari upazila which resulted houses and firm destruction ([prothomalo](#)). On 7<sup>th</sup> June 2023, some elephants attacked at Pekua Upazila in Cox's Bazar where **one** person died ([prothomalo](#)). On the other hand, in Bandarban at Lama Upazila hundreds of trees were uprooted and more than **10** lakh taka were damaged by an elephant attack ([samakal](#)).

## **GoB Response**

### **Response to Waterlogging**

In Dhaka district during a waterlogging incident on 28 June 2023, Dhaka City Corporation Quick Response team Clear all the uprooted trees from the roads ([dailynayadiganta](#)).

### **Response to Riverbank Erosion**

On 5 June 2023, Sirajganj Water Development Board has been throwing geo bags for a few days to prevent breakage ([alokitobangladesh](#)). Geo bags placed by Bangladesh Water Development Board (BWDB) to protect the embankment has also eroded in Tangail ([thedailystar](#)).

## **Conclusion**

A total of **Thirteen types of** hazards took place in June 2023 with multiple casualties of life and assets across the country. These incidents caused a huge loss of lives and properties and disrupted daily activities.
