Response in Boat Capsize: Government of Bangladesh allocated BDT 20,000 to each family of with dead person by the boat capsized at Meghna River through MoDRM (NDRCC Report, June 13, 2017)

Conclusion

Disaster frequency was comparatively less in the month of June. But the impact of landslide in Bandarban, Chittagong, Cox's Bazar, Khagrachhari and Rangamati was devastating. As well, there were low intensity disasters in different parts of the country e.g. boat capsized, trawler capsized, fire and road accident. Amongst the disasters, the most severe one, landslide of 12th June, was responded on priority basis by Government. Affected people of road accident and boat capsized were also responded by the Government of Bangladesh.
