Description of Hazard Incidents in June 2020

Covid-19 Pandemic in Bangladesh

The Covid-19 pandemic had affected with high impacts throughout this month in all the 64 districts across Bangladesh. In June, 2020, the number of identified patients with Covid-19 is 98,330 persons among which 49,844 persons recovered and 1,197 persons died. From the very first case identified in March 2020, the total number of Covid-19 patient is 145,843

among which 1,847 persons died and 59,624 persons recovered up to June 30, 2020. It is notable that 50 persons have been identified with Covid-19 in the Rohingya refugee camps in Cox's Bazar district. The number of identified cases in Bangladesh with Covid-19 is increasing as per Directorate General of Health Services (DGHS) and IEDCR have increased the testing of Covid-19 at 68 labs across the country. Though government has taken steps to minimize movement of people but the situation may become worsen if health guidelines by the Director General of Health Services (DGHS) are not maintained properly.

Response to Covid-19 up to June 30, 2020: The mass people have been guided to maintain social distance in workplaces, public transports, and religious institutions and avoid any kind of public gatherings. DGHS has prepared guidelines for the organizations (both public and private) to be maintained during working hours. DGHS and IEDCR have undertaken necessary steps to test Covid-19 suspected patients in 68 test labs across the country which have already tested 766,407 samples as of June 30, 2020. The treatment providers were provided with 2,387,364 Personal Protection Equipment (PPE) and 140,881 PPE are in stock for further use. DGHS and IEDCR have opened up hotline number (i.e. 16263, 333, 01927711784, 01927711785, 01937000011, 01937110011) for consultation with doctors through phone calls which already have attended to 13,941,391 phone calls. 4,217 doctors are providing healthcare services voluntarily. Screening have been conducted of 736,155 persons in airports, railway stations, sea port and land ports. People (especially poor and ultra-poor) who are in need of foods, GoB arranged to provide food at their doorsteps by the local administrations (*Source: DGHS Health Bulletin as of June 30, 2020*).

Conclusion

A total of 10 hazards took place in this month with several incidents across the country. These incidents caused a huge loss of lives and properties and disrupted daily activities of people. GoB took initiatives to minimize the losses and also undertook necessary actions to provide support to the distressed people.
