Rangpur, Sylhet Barguna. **Embankments collapsed** in Rajbari, Khulna, Gopalganj, Sirajganj, Jamalpur. **Waterlogging** was reported in Rangpur, Satkhira, Tangail district. **Wildlife inflicted damage** was reported in Gaibandha, unknown animal kept attacking people and injuring them. **Wall collapsed** in Chandpur, Faridpur, Gazipur, Rajshahi and 3 people were reported dead in the incidents.

Description of Hazard Incidents in October 2021

Covid-19 Pandemic in Bangladesh

The number of newly identified patients with Covid-19 was **13,628** from 1st October to 31st October 2021. In this month **17,482** persons recovered and total death was **358** which indicates both the number of deaths and the confirmed case is declining. From the very first case identified on March 8, 2021. the total number of Covid-19 patients is **15,69,653** among which **27,870** persons died and **15,33,625** persons recovered up to November 2nd, 2021. (Source: <https://corona.gov.bd>). See Annex 1 for the month of October.

Lightning

Lightning cases were reported in 16 districts. Among them Jamalpur, Thakurgaon, Kishorganj had the highest number of casualties. A total of 35 people lost their lives, another 7 were injured. Majority of casualties were of the farmers working in open spaces and Fishermen catching fish in large water bodies. 4 cows died in different cases and losses of tk 3 lacs (Jugantor.com 12-October 21). See annex 2 for more details.

Flood

Flood caused widespread damage in the second half of October, 2021. 6 districts reported heavy damage e.g. Rangpur, Lalmanirhat, Kurigram, Tangail, Gaibandha, Faridpur. More than 60 kilometers of land reported being flooded, 38,438 families and 1,55,252 individuals were affected according to NDRCC reports, and more than 108 educational and religious institutes were also damaged because of the flood. See Annex 4 for more details.

Boat Capsize

In 4 districts, all over Bangladesh, namely Dhaka, Pabna, Manikganj, Brahmanbaria boat capsized occurred. 9 people died and 14 people were reported missing. A ferry from Paturia Ghat, Manikganj capsized and 17 trucks and 7 motor bikes reported drowned. Further Details regarding Boat Capsize are given below.

Table 1 : Impact of Boat Capsize incidences in October, 2021

GoB Response in October 2021

Response to Covid-19 up to October 30, 2021: The government managed to vaccinate 1st dose of covid-19 vaccines till 31st October 2021, to 4,21,54,848 (WHO) people starting from January 27, 2021. From April 08, 2021, to October 2021, a total of 2,92,37,863 2nd doses vaccines were administered. As of 31st October 12,719 general beds, 1,064 Intensive care unit (ICU) beds are available in the hospitals across the country, reports in dedicated government website for covid-19.

Response to Lightning: In 2 districts, the government allocated and distributed a total of BDT 80,000 to the families of the deceased in October, 2021. See more details in the table below:

Date	District	Types of aid		Source
		Cash for deceased HH	Cash for injured HH	
03-Oct 21	Jamalpur	60,000 (20,000*3) HH		NDRCC , 4-Oct 21
05-Oct 21	Habiganj	20,000 (20,000*1) HH		NDRCC , 5-Oct 21

Response to Flood: 5,00,000 taka and 70 MT GR rice have been allocated to 5 upazilas of Lalmanirhat district on 21st October ([NDRCC Disaster situation report](#), October 21, 2021). As well, Rangpur and Kurigram district received an allocation of 8,00,000 taka each, on the other hand, Nilphamari and Lalmanirhat district had allocation of 10,00,000 taka each. Total 36,00,000 taka have been allocated on October 24th according to the [NDRCC Disaster Situation Report](#) of 25th October 2021.

Conclusion

A total of 12 hazards took place this month with multiple casualties of life and assets across the country. These incidents caused a huge loss of lives and properties and disrupted daily activities. Govt. took initiatives to minimize the losses and also undertook necessary steps to provide support to the distressed people.
