Monthly Hazard Incidence Map in Month of April 2023

Description of Hazard Incidents in April 2023

Boat Capsized

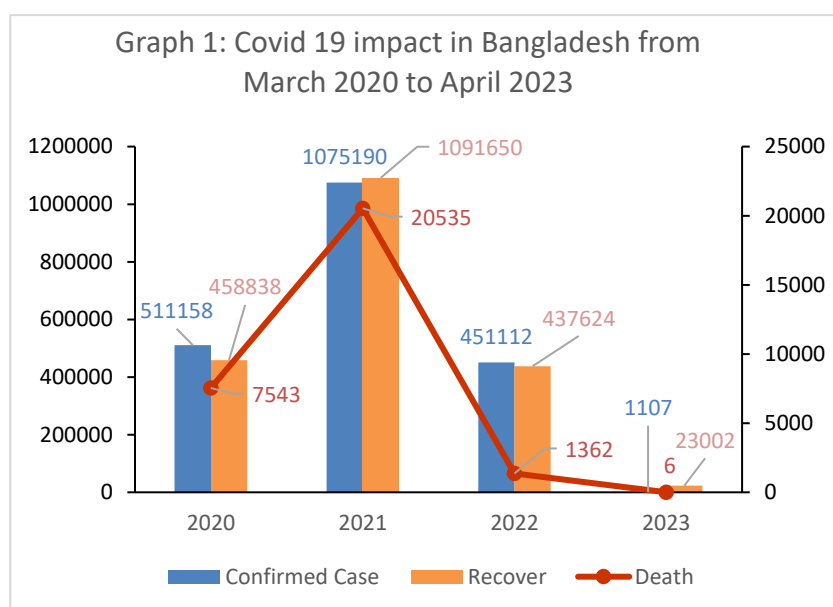

Three incidents of **Boat Capsized** happened in three districts i.e., Lalmonirhat, Narayanganj, and Patuakhali on several dates in April 2023. Due to Boat Capsized, **six** people **died** and **one** person was **missing** in these districts. Besides, on 23rd April an incident occurred in Lalmonirhat where **one** person was missing ([bd-protein](#)). An adolescent girl **died** in the Narayanganj district on 28th April ([jagonews24](#)). In Patuakhali, **five** people **died** on 30 April ([jagonews24](#)).

Bridge Collapse

A steel **Bridge Collapsed** after a **42**-wheeler carrying a transformer got on it on the Dhaka-Mymensingh highway in Trishal Upazila. As a result of this incident, a car was damaged and **three** people were **injured** ([dhakatribune](#)).

Covid-19

The number of newly identified patients with **Covid-19** has **204** from 1st April to 30th April 2023. In this month **108** people have **recovered**, and no death which indicates both the number of death and the confirmed cases have decreased compared to March. The total number of confirmed cases has **2038232** from the first identification of Covid-19 in Bangladesh in March 2020. The total death and recovered to the end of April was **29446** and **2005546** respectively [DGHS](#). See the details in [Annex 1](#) for more details information.

Dengue

Based on [DGHS](#) daily situation report, the confirmed cases and death of **Dengue** increased in April month compared with March month. In April, just **11 districts** suffered from dengue, and as usual, **Dhaka** has the highest number of confirmed cases (**92**) and deaths (**2**). Secondly, the Chattogram district confirms cases (**22**) and deaths (**3**). In April the total number of confirmed cases are **143** and a total of **five** people died whereas in March it was lower compared to April. See the details in [Annex 2](#)

Fire

According to the [NDRCC](#) report and different dailies, **970** fire incidents took place across the country in April 2023. Dhaka division reported the highest number of fire incidents (**284**), followed by Khulna division (**202**), Rajshahi division (**119**), Rangpur division (**117**), Chattogram division, (**116**), Mymensingh division (**62**), Barishal division (**34**), Sylhet (**36**). Among the **970** incidents, **five** people **died**, **sixty-two** were **injured**, and several property damages were recorded such as shops, tin shed shops, houses, CNG, family's houses, etc. The estimated losses were recorded as approximately **1,004** crores **20** lakh and **50** thousand takas. For more details, see [Annex 3](#) and the below table.

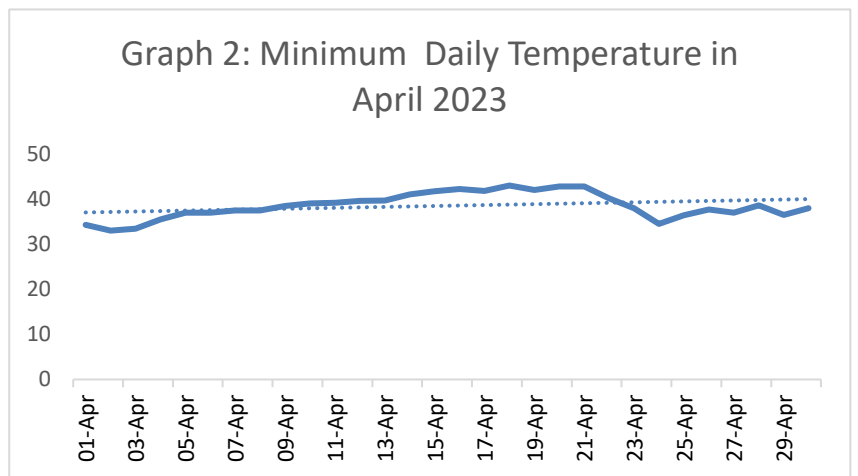

Table 1: Impacts of Fire Incidences in April 2023

Division	No. of Incidents	Impacts
Barishal	34	1 person died, and 1 warehouse and 3 houses were burnt. Estimated 3 crores taka loss
Chattogram	116	139 houses were burnt, 9 people injured, estimated loss 1crore taka, 1 CNG burnt

Dhaka	284	51 people were injured, 9095 shops and two warehouses were burnt, and estimated losses were 1,000 crores tk
Khulna	202	2 children died, 200 bigha of a cornfield and Ben Barge burnt, approximately 50,000 taka loss,
Mymensingh	62	1 people died
Rajshahi	119	1 person was injured; 20 houses burnt
Rangpur	117	2 houses were burnt. Estimated 20 lakh taka loss
Sylhet	36	About three acres of brushwood including bamboo burnt, 1 room burnt
Total: 5 died, 62 were injured & 9095 shops, 1 warehouse 63 houses burnt. 1,004 crore 20 lakh 50 thousand taka estimated losses.		

Heatwave

This month, there were six **Heat Wave** events, **one extreme heatwave** occurred between **14 to 21 April**, **two mild to moderate** heat wave events from **9 to 22 April** and **28th April**, and **three mild** heat wave events from **5 to 8 April** **26th to 27th April**, and **30 April** was blown throughout the country. The first one was a **mild heat wave** that occurred in **five** districts namely Faridpur, Rajshahi, Pabna, Jessore, Chuadanga, and Khustia, respectively and the heat wave in different categories was continuous in districts. Besides, Dinajpur, **64** Rajshahi, Pabna, Chuadanga, Khustia, and Jessore districts have experienced an extreme heat wave this month. The maximum temperature was recorded at **43** degrees Celsius at **Ishdardi** during heat wave situations, on **18 April 2023** (DDM).

The daily maximum temperature showed a negative trend in April with compare to March 2023. More details in [Annex-4](#)

Lightning

This month, **18 Lightning** incidents are recorded which resulted in the cause of death toll of **26** people and **four** livestock, and **seven** people were injured. There were **16** districts namely Sylhet, Netrokona, Sunamganj, Moulovibazar, Satkhira, Jessore, Jhenaidah, Rajbari, Chapainawabganj, Meherpur Pabna, Sirajganj and Pirojpur where lightning event recorded. More details are in [Annex 5](#).

Nor' wester

Seven incidents of **nor 'wester** took place on the **3rd**, **23rd**, and **27th** of April in Patuakhali, Bagerhat, Cox's Bazar, Dhaka, Satkhira, Mymensingh, and Gazipur districts respectively. **50** houses were damaged at Baufal in Patuakhali ([thedailystar](#)) and damaged at least **1,000** houses, over **100** shops, and a few mosques, damaged over **1.000** tin-roofed structures, including dwelling houses, shops, and mosques, damaged boro and maize plants on around **200** hectares of land at the affected villages at Kochua in Bagerhat ([thedailystar](#)). On the other hand, A nor 'wester resulted in disruption of Electricity, and water logging due to construction work in Cox's Bazar ([Daily Inqilab](#)). More details are in [Annex 6](#)

Riverbank Erosion

Based on different national dailies, **Riverbank Erosion** occurred in the Shariatpur district at Shariatpur Sadar on 14 April 2023 where **100** meters of embankment collapsed and **five** houses were washed in the river ([prothomalo](#))

Wall collapse

One incident of **Wall Collapse** occurred on **13th** April 2023 at Sadar upazila in Madaripur where one child

died and four were injured ([prothomalo](#))

Wild Animal Attack

Three Wild Animal Attack events took place on several dates in April month which resulted in **two** deaths and **one** injured. On 14th April a wild elephant attacked in Sherpur district Sreebardi upazila which resulted in **one** person dying and **one** person injured ([Prothom Alo](#)). On 22nd April 2023, some elephants attacked crops land at Haluaghat Upazila in Mymensingh where **one** farmer died and many crops were damaged ([Prothom Alo](#)). On the other hand, a wild elephant attack on 28th April 2023 at Nalitabari in Sherpur district resulted in **24** thousand saplings and **50** decimals of the rice cultivated area damaged.

GoB Response

Response to Boat Capsized

On 30th April a boat capsized event in Doshmina upazila in Patuakhali district, Upazila Executive Officer (UNO) Nafisa Naz Neera said that the government is giving support of **Tk 20,000** per person for the burial of the deceased ([jagonews24](#)).

Response to Fire

On 4th April 2023, after the fire incident in Ramna, Dhaka, State Minister for Disaster said, this fire is terrible. Now those who have been injured will be compensated Rs **15,000**. He also said that **14.5** kg of food will be given to the affected businessmen. He said this will include rice, dal, oil, and spices ([prothomalo](#)).

Response to Wild Animal Attack

On 22nd April 2023 and 28th April after a wild animal attack in Haluaghat and Nalitabari of Mymensingh ([Prothom Alo](#)) and Sherpur **3** lakh BDT has given by the government and to protect elephants from attack local Government gave lamp and torch to the farmer respectively ([Prothom Alo](#)).

Conclusion

A total of **Eleven types of** hazards took place in April 2023 with multiple casualties of life and assets across the country. These incidents caused a huge loss of lives and properties and disrupted daily activities.
